

I have received seven requests for Alternate PD during convention 2015 as of November 19.

Four have been approved; two are pending until more information is received from the applicant, one has been denied and is being appealed.

The request made by Kim Greyson from Rocky View, was denied because it did not meet one of our policy requirements, namely item 10.1. It states that the activity cannot be attended at another time (reference to p.37 of ATA Convention Handbook 2014/15).

Rainforest Retreats

2015 Dates:

Session 1: Feb 18 - Feb 22, **SOLD OUT**

Session 2: Feb 25-March 1, **SOLD OUT**

Session 3: March 4-8, **SOLD OUT**

Place: [Rain Forest Resort Village.](#)

Cost: \$ 175*

He is appealing my decision and therefore I require a sub-committee to hear his appeal. Consideration may be given to Mr. Greyson as all other sessions are sold out and he cannot make a change. I checked space availability immediately after receiving the request on October 6th and all sessions were sold out. I will ask for two exec. members to review the appeal with me by the end of November 2014.
