

President's Report April 17, 2015  
Submitted by Jordan Fenton

I would like to take this opportunity to thank everyone for all of the work that has gone into making this year's convention a resounding success. The work of this volunteer committee was nothing short of amazing.

- I would like to thank Larry and his helpers with facilities in making sure that the venue was ready for our delegates and presenters. I would also like to thank them for all of the troubleshooting during the event to ensure that the venue met everyone's needs.
- I would like to thank Andrea and the Program Committee for taking on the huge task of selecting, timetabling, and booking speakers. It was a terrific program with a wide variety of relevant options for our delegates. I have heard nothing but positive things about the program from our featured speakers to the off-site options.
- I would like to thank Jen M and her helpers for all of the behind the scenes work in booking and chasing displayers to ensure that the Exhibits were taken care of. It was the largest number of displayers that we have had in quite sometime. Our delegates could experience anything from reptiles to tuperware and everything in between.
- Thank you to Sherry and Bertha for keeping our finances in check and up to date and ensuring all of the speakers were paid.
- Thanks to Bertha for keeping the website up to date with the most recent convention info for our delegates.
- Thank you to Jen R for creating the duties list for board members and ensuring that the Honorary President received her recognition.
- I would like to thank Chris for managing all of the requests for alternate PD during convention.
- Thanks Sue for keeping a record of all of our board business.
- Thank you to all of the above for manning the table and answering a multitude of questions in the pre-con area.
- Last but definitely not least a huge thanks to every single board member for completing all of the daily tasks that ensured that our convention went off with out a hitch (a least a noticeable one to our delegates).

It has been great working with our board over the past year in providing another excellent professional learning opportunity for all of our delegates.
