

## **PDTCA EXECUTIVE MEETING – EXHIBITS REPORT**

January 12, 2015 (Reported as of January 16, 2015)

Jennifer Munton

- Registrations as of January 12, 2015:
  - We have 147 booths registered in total – this is ahead of where we were last year at this time. Only 9 spots are available.
  - Our basic setup for exhibits is for 156 vendor spaces.
  - Registrations came in steadily this year, with less effort – I believe this is due to the new online registration system
    - Between January 12<sup>th</sup> and 16<sup>th</sup>, emails requesting payment were recently sent to all vendors with payments owing
  - 1 booth was carried over from last year (QSP Fundraising)
  
- Move-in time is Wednesday, February 18<sup>th</sup> from noon – 7 pm; exhibition hours are 8:30 am – 4:30 pm on Thursday and 8:30 am – 2:00 pm on Friday
  
- Booth prices have gone up 5% this year. I propose raising our rates to cover the increase. (roughly a total cost after tax of \$450 and \$560)
  
- Proposed Exhibitor of the Year: Calgary Vision Therapy. Any objections and/or other suggestions?
