

President's Report January 16, 2015  
Submitted by Jordan Fenton

Due to the inclement weather we had when the Fall Convention Meeting and PDAC were occurring I did not attend either. At this time, I would like to take the opportunity to thank everyone in advance for all of the effort and energy that has gone into the preparation for the convention and all of the hard work that this volunteer committee will do during the convention to make it a success.

- I would like to thank Larry and his assistant Jill with facilities in making sure that the venue will be ready for our delegates and presenters.
- I would like to thank Andrea and the Program Committee for taking on the huge task of selecting, timetabling, and booking speakers for what looks to be an interesting program with a wide variety of relevant options for our delegates.
- Thank you to Jen M for all of the behind the scenes work in booking and chasing displayers to ensure that the Exhibits are taken care of.
- A big thank you to Sherry and Bertha for keeping our finances in check and up to date and to Bertha for keeping the website up to date with the most recent convention info.
- Thank you to Jen R for creating the duties list for board members and ensuring that the Honorary Presidents will get their recognition.
- I would like to thank Chris for managing all of the requests for alternate PD during convention.
- Thanks to Sue for keeping a record of all of our board business and keeping the lines of communication open for all board members.
