Convention 2017 (as of May 25, 2016):

o Registration is currently open. Online registration will continue year round thanks to Bertha for opening it last day of Convention this year.

o Approximately 35% pre-booked for 2017 (56 of 158 booths)

o Only 28 vendors have completed new online form, many have paid and will be contacted shortly and directed to complete the 2017 booking form.

o Current rates are set at \$535.00 and \$435.00 NFP

(\$561.75.00 and \$456.75 (NFP) including GST)

o St. George has increased their prices for next year. As to offset this increase to the exhibits I am motioning that:

"We increase the Exhibitor Booth price by \$5 per booth to \$540.00 and \$440.00 NFP in order to to offset the increase by St. George Show Services and the Telus Convention Centre"
