

President's Report April 7, 2017
Submitted by Jordan Fenton

I would like to take this opportunity to thank everyone for all of the work that went into the preparation and facilitation of our convention and for all of the work that our volunteer committee did during our convention to make it a success. It is definitely not lost on me the amount of work that is put in by a group of volunteers to put on an event of this size. Putting on a convention for 4000 delegates including two days packed with sessions and a trade show is no small feat. I would like to thank Andrea and her helpers with the program. You out did yourself once again providing such a comprehensive program. Thanks to Yvonne, Larry and Jill for all of your efforts in ensuring the facility was utilized to its full potential. I need to thank Sherry and Bertha for managing the financial aspects of our undertaking along with Bertha placing everything online. A hearty thanks to, Tara and Leslie for ensuring that our exhibits hall was filled with exhibitors for our delegates. Thanks to Jen for her role in sorting through the alternate PD Requests and taking the lead on the Honourary President's Reception. I would like to thank Sue for maintaining records of all our meetings and sending all of the reminders and highlights out to our board. Last but not least I would like to thank each and every board member for not only the role that they have played in organizing and hosting this year's convention but for being our main communication conduit with all of our delegates. It has been a pleasure working with everyone over this past year.
