

2018 May Publicity-Website-Evaluations Report

Bertha Yagos

Publicity/Website:

1. Email addresses for non-executive board members have been removed from the public website. If you need to contact any of these board members please email Susan Paton spaton7@gmail.com or Bertha Yagos info@pdtca.org .
2. It looks like we need 7 poster stands instead of 5. We will use 3 in the Pre-con area, one of which will show the On-site sessions only, one for the Off-Site sessions only, and one for the maps. The 4 session posters in Macleod, Telus, Glen and the Hyatt will not list the Off-Site sessions making the Friday poster in particular a better fit for the poster stands(there will be a note on those posters indicating that off site sessions are posted on the poster stand in the Pre-con area only. One set of maps in the Pre-con area will hopefully be adequate if we let teachers know. The maps are also available on the website and we have free wifi to access them. We should not need to tape anything to the walls.
3. There are 93 speaking proposals submitted as of May 24th. Keep encouraging colleagues to submit a proposal.
