

Exhibits Year End Report – Submitted by Tara Hrysak 2019 Chair

We had a good year this year despite the down turn in corporate budgets.

We had:

143 out of 156 booths purchased

3 exhibitors did not show up. 1 had to cancel due to restructuring.

We did pre-registration for next year on the Friday. This was again received very well by the exhibitors. We currently have 47 booths spoken for and have 2 paid by cheque.

Our exhibitor of the year was The Nutman. Jim was extremely appreciative and honoured to receive the recognition.

Thank you to Bertha for all her work with the website and floor plans.

Peter and Nancy from St. George and Ursula from Convention Centre were amazing with last minute requests.

Recommendations For 2020:

Go over all documents for 2020 on the website to ensure exhibits has updated all documents.

As we have a new show service for next year, we do not have any pricing or contacts for this as of yet. There may need to be an increase to the cost of booth space.

There were a few requests to look at exhibit hours.
