

Exhibits Report for May 2020
Submitted by Tara Hrysak

- I attended the Convention Meetings to go over the new direction and guidelines for Exhibits.
- I have received a new quote for the exhibits hall and am currently reviewing the quote.
- We are looking at the option of reducing the exhibits hall by 36 booths for next year as we do not know what the state of the economy will be. 156 booths originally, proposed 120. I am hoping to have exhibits open for May 1st ish.
- Currently rates are set at:
Rates for regular booth - \$540.00 + 27.00 tax = \$567.00 per booth.
Not for profit booth rate is \$440.00 + 22.00 tax = \$462.00 per booth.
