

Exhibits Report for September 2020
Submitted by Tara Hrysak

Convention 2021:

1. 2021 Exhibits space registration was open
2. Rick Readman from Superior Show Services had given us a reduced footprint for this year.
3. 14 exhibitors had reserved booths.
4. I will be working with Bertha and Sherry on refunding all monies collected for pre-paid booths.
5. I am also looking into how we can get exhibitors connected with delegates, without opening up a virtual space.
