

December 2021 Exhibit Report

Virtual Exhibits is now up and running. Thank you Bertha!

Sherry has set up E-Transfers and we have received our first one!!! Thank you Sherry!

We are charging this year due to the expense of the service and manpower to get it up and running. We are seeing a decrease in exhibitors this year. As are other Boards.

We currently have 18 signed up and a few others have inquired.

Between Bertha, Sherry and I we are working at accepting registrations and payments.

Attended the Fall Convention Meeting. Was able to meet with other Exhibits Chairs and share some ideas and concerns.

Jenn, Kristi, (Paulette and Veronica?) and I will be working on creating Bingo/Scavenger Hunt cards/games for delegates.

Respectively Submitted
