

Exhibits Report for January 2021

Submitted by Tara Hrysak

Convention 2021:

My role this year is very different.

We have moved away from an in person Exhibits space. We will be having a small online exhibits space in Sched this year. Past Exhibitors are being contacted about online Exhibitors List. 110 Exhibitors are being contacted.

A HUGE thank you Bertha for sending out this email and creating this space.

I will be helping Bertha obtain logos for businesses and compiling any information she needs.

There will be no Exhibitor of the Year

I have been working with Jenn to create and set up a Zoom Q & A on Wednesday February 17th from 1 – 4pm. To answer any questions about convention delegates may have prior to Convention start.

I will be available to assist Facilities, and Program with anything they need in the coming month.
