

Past President's Report

January 15 & 16, 2021

Submitted by Andrea Craigie

- We received 8 requests for alternate PD this year. All eight were from Christ the Redeemer Teachers requesting to attend the virtual, Religious Education Conference. These requests were approved. The deadline to apply has now passed. Teachers looking for a late application may still apply to the ATA via <https://ata.smapply.ca/>. These requests will be juried by Danny Maas at Barnett House.
- The executive met on Friday, December 4. Part of this regular Executive Meeting was to confirm the changes to our PDTCA Policy Handbook as had been discussed and voted on at our November meetings. To view these changes, the PDTCA Policy Handbook is always available on the private side on the website.
- As there is no President's Reception nor Hospitality Suite to organize this year, there is no update nor action on these typical January / February duties of the Past President. You are each encouraged, in your own time and at your own venue, to "raise a glass" to our Honorary Present, Theresa O'Neil and then again to yourself, in thanks for your help in ensuring the 2021 runs smoothly. We look forward to both in-person opportunities in 2022.
