

Social Media – January 2022 Report

1. Have begun promoting the sessions website multiple times a week.
2. As soon as it is ready to go (not being promoted yet) I will remind about the use of Sched along with a reminder of the different indicators on the sessions (*, !, etc.)
3. Will begin planning for contests during convention. Open to ideas and suggestions.
4. Starting to get questions on Social Media re: convention. These are general and not difficult to answer.
