

# Program Report

## March 25 & 26, 2022

### Special Thanks:

- The ever patient and supportive Bertha Yagos
- Christine & Larry in Facilities
- My program assistant Veronica Doyle
- Social Media ~ Andrew Doyle taking care of last minute announcements etc.
- The entire team of folks on the program committee who helped us with selection
- The Team at Encore Entertainment Group for being our tech support.
- Special, special thanks to everyone who stepped up to moderate, we would not have been able to do this without you! Some of you went above and beyond!
- All of you, on our board, that made our program run smoothly.

### Highlights:

- Online format was enjoyed by most. Many folks reported doing MORE PD again this year!
- All keynotes were well received.
- Very positive remarks from Francophone delegates about Francophone speakers and keynotes

- Francophone folks enjoyed having part of the opening messages in French! Thank you Veronica!
- Help desk was quieter this year but still appreciated

### Suggestions:

- Having a virtual help desk regardless of online or in person
- How can we share big name keynotes with other boards once we are back in person?
