

May 2022 Exhibits Report

Convention 2023:

- Meeting May 27th with Ursula and Debbie from CTCC and Global Show Services to discuss Exhibits and tour space.
- Have requested that this year, we reduce the exhibits hall from 158 to 120 booths. Global is working on mapping of this.
- We will be moving Owl's Nest Books into the back of the Exhibits Hall
- We are looking at whether or not we will need to increase booth prices this year. I hope to have more information on Friday after our meeting.
- Hope to have booth registration open on June 10th.
- Once all information has been finalized, a letter will be sent out to all previous exhibitors welcoming them to register for booths.
