

## **December 2023 Exhibits Report**

***Submitted by Tara Hrysak***

Lots of interest, this month for booths. Several new ones

I am seeing several previous exhibitors have not still reached out yet. CCTCA is full and we are starting to see their overflow.

### **Work Completed**

- Continuing to process booths.
- Invoiced all booth registrations
- Met with New Show Service contact – Amanda Gibson
- Attended Fall Convention Meetings and Fall PDC
- Spoke with Shae from CCTCA to get their Exhibitor List

### **Ongoing Work**

- Processing booths as they come in.
- Reach out to CCTCA booths who have not registered with us yet.
- Meeting with Ursula from CTCC next week virtually.

If you have anyone that you think I should reach out to or know someone interested please contact me. We are especially in need of Francophone booth and would love another Indigenous booth.

### **To Date:**

Reserved Booths – 88

Open Booths - 37
