

Social Media Chair Report

December 1, 2023

Work Completed:

Been doing lots of posts with keynotes, new times, general info about session. With Approval from Jill, Bertha and Sherri I purchased a subscription to Buffer that allows me to create many posts over the upcoming months.

Work in Progress:

I will be the person in charge of FAQ's this year. Bertha gave me access to them, but I do not get notifications.

New Business/Action Items

Alison and I will be discussing things that she would like to highlight in the program.

Does anyone else from our Executive have things that they would like to see me highlight?
