

Past President's Report

March 24/25, 2023

Jennifer Munton

2023 Convention Year in Review

- Worked on Goosechase game for delegates (the account was funded through ATA PD at Barnett House) - learned how to create it, designed challenges, moderated the game for the 150 members who participated and contacted 10 winners
- Researched, ordered, executed balloon feature
- Attended CCTCA event and scouted several exhibitors to assist Tara
- Hosted executive meetings and took care of suite
- Worked on Policy/Constitution committee
- Provided storage for 7 poster stands, 5 large 3-ft signs (PDTC2), hospitality items

Recommendations for next year

- Work on goosechase again (hopeful that ATA will continue to fund this account), allowing exhibitors to submit information to be used as part of a challenge
- Purchase an A and a #4, and reuse the letters from this year to make the balloon feature again. Several delegates suggested that it would be lovely to have at the entrance of the Convention Centre - look at possible new locations
- Provide designated times to open the suite during convention days to provide refreshment and connection for our board members
- Support however needed
