

September 2023 Exhibits Report

Submitted by Tara Hrysak

Lots of interest, early, this year for booths.

However, I am seeing several previous exhibitors have not reached out yet.

Work Completed

- Processed booths through the summer.
- Invoiced all booth registrations
- Attended Zoom call with SPARK
- Liaised with Allison

Ongoing Work

- Processing booths as they come in
- Reach out again to booths who have not registered yet
- Liaise with CCTCA and see if I can drum up a few from their list

If you have anyone that you think I should reach out to or know someone interested please contact me.
