Does a session you want require pre-registration? Make sure you click that pre-reg button, because simply adding it to your schedule **DOES NOT MEAN YOU ARE REGISTERED** and you will be sad. Read below so you are happy:

NEW THIS YEAR

- Click the "pre-registration" link in the session description to get your on-line ticket.
- To reserve your seat, use the drop down menu to choose your session requiring pre-registration.
- Is the session you want **SOLD OUT**? OH NO! Keep coming back to look for openings.

PAY

- You may notice that all off-site sessions now have a fee. Costs for materials etc are now payable here. If there are no material costs, you will notice a \$10.50 fee. This cost is to hold your spot and is non-refundable. This is to encourage teachers to attend the off-site sessions they have committed to, and to ensure wait lists are honoured.
- Changed your mind? Tickets are transferable to other PDTCA delegates, all sales are final. Please email info@pdtca.net for any questions regarding transfers or putting your ticket back into circulation.

All money from ticket sales goes directly into off-setting the cost of providing unique, hands-on, off-site sessions.
