

Instructions for connecting to Calgary TELUS Convention Centre Wireless Internet service. Please note, this connection is only for low speed browsing, email access, and not for intensive web use. Should you require that, you can choose the credit card option.

This connection will require a reconnect every 45 minutes.

1. SSID: PDTCFree
  - Launch your wireless network management software, and connect to PDTCFree
2. Open a web browser, and you will be redirected to the page below. Click on the button to enter a User-Based code.

Free Access Sites English

Welcome TO CTCC FREE HIGH SPEED INTERNET

Welcome to the Calgary TELUS Convention Centre and the Palliser District Teachers' Convention

Free WiFi access is provided for a 45 minute period, after which you can choose to select free access once again, or choose a higher speed via the credit card option. This access is 512 KB, and is not for intensive internet access.

Before you get to work with the SolutionIP™ Internet connection, you must first register for this service by launching your favorite Web browser and entering information as requested on the registration screen provided. You will then be automatically registered and will have access to the Internet to

3. Select the 45 minute 512 Kb option from the Package dropdown, and accept the terms and conditions, then press the Connect Me button
4. You should have full connectivity to the Internet as you are redirected to the CTCC Home page

### Internet Service requirements/client responsibilities:

It is the responsibility of the client to provide the following:

1. 802.11 b/g/n wireless network adapter for each computer. Network driver: TCP/IP. Proper configuration of computer equipment for TCP/IP, ability to add/locate the proper SSID via the onboard wireless management software.
2. Up-to-date Virus protection software must be installed and active on all computers connected to the internet. Failure to have virus protection software installed and running may result in the connection being suspended.

Please contact Guest Services by dialing 333 from any beige house phone for any other questions.
